Johnson's Cotton Touch

We are here to promote and demonstrate our new product, The NEW Cotton Touch Newborn range. Since babies' skin is up to 30% thinner, a new product transformation is required to meet that sensitivity. Johnson's Cotton Touch is the perfect match for that as it is made with real cotton and is ultra-light and perfectly pH balanced to meet with a newborn's delicate skin. Moreover, it is hypoallergenic and contains no harmful chemicals such as parabens, phthalates or dyes.
