

BROCHURE MEMBERSHIP

Joining as member in the Arab Hospitals Federation

The Arab Hospitals Federation is an independent, non-political and non-profit organization that represents and serves Arab public and private hospitals, medical centers, institutions, organizations and individuals directly connected with the provision of Healthcare.

Founded in 2002, AHF constitutes an ideal platform to exchange ideas, policies and services in the Healthcare Management as well it provides education for health care leaders and is a source of information on health care issues and trends.

We have representation

We represent and connect more than 1800 different hospitals and Healthcare institutions in the Arab Countries.

AHF Membership offers the opportunity to network with a wide community of Arab leaders and professionals, who join force to advance excellence in Healthcare in Arab Countries.

Our Activities

All our activities focus on important issues facing the Healthcare industry in Arab Countries and have for aim to provide a platform of communication, facilitate sharing experience and knowledge acquired and highlight good practice and innovation among Arab Countries.
