

# ARAB HOSPITALS FEDERATION EXECUTIVE COUNCIL MEMBERS SHINE AT AFRICA HEALTH EXCON 2025

The Arab Hospitals Federation proudly participated in Africa Health ExCon 2025, held in Cairo under the theme “Beyond Boundaries Toward Better Health.” Our Executive Council Members and senior leaders took part in key sessions addressing healthcare sustainability, digital transformation, quality, and resilience.

*Highlights included contributions from:*

- MP Fadi Alame**, President of the Federation, who emphasized Arab-African collaboration in his opening remarks.
  - Mrs. Alice Yammine Boueiz**, CEO, who chaired sessions on quality and patient-centered care.
  - Dr. Bassam Kaddissi** championing sustainable hospital design.
  - Dr. Youssef Bassim** discussing governance of AI in healthcare.
  - Dr. Ossama Shaheen** highlighting sustainable development goals and public awareness.
  - Dr. Mireille Khalil** supporting strategic partnerships and regional projects.
  - ME. Therese Salameh** reinforcing the importance of legal frameworks for safe, high-quality care.
- Their participation reflects the Federation’s mission to advance innovation, resilience, and cooperation for better health across the Arab world and Africa.
